The Translation and Interpretation Unit within the Office for Family Engagement and Advocacy is responsible for providing language access support to families and parent leaders.

- B. Primary language means the primary language spoken by a student's parent or guardian, as determined by the Department.

Schools must determine within 30 (thirty) days of a student's enrollment (or, for students already enrolled, by a date and procedure to be determined by the Office of Teaching and Learning) the primary language spoken by the parent of each student enrolled in the school, and if such language is not English, whether the parent requires language assistance in order to communicate effectively with the Department.
- B. The school shall maintain an appropriate and current record of the primary language of each parent. Such information must be maintained in ATS and on the student emergency card.

- A. Each school and office shall, consistent with this regulation, provide translation and interpretation services to all parents who require language assistance in order to communicate effectively with the Department.
- B. The Department may provide translation and interpretation services beyond those outlined in this regulation.
- C. Parents may choose to rely on an adult friend/companion or relative for language and interpretation services. Students and other children (minors under the age of 18) may not serve as interpreters for school staff and parents during any formal or informal meeting where student achievement and/or student conduct are discussed.

¹ The term "parent", whenever used in this regulation, means the student's parent(s) or guardian(s), or any person(s) in a parental or custodial relationship to the student, or the student, if he/she is an emancipated minor or has reached 18 years of age.

1. its language assistance needs consistent with the requirements of this regulation, including:
 - a. regular and timely provision of translated documents through either existing resources or the Translation and Interpretation Unit;
