II. APPLICATION PROCESS
Vacancies for community superintendent will be posted on the Department of Education’s website. Applications must be filed on-line in response to postings. As part of the application process, applicants will be required to submit essays on relevant topics specified in the application, and letters of reference.
III. EVALUATION OF CANDIDATES
The Chancellor’s designee shall review applications and shall interview qualified candidates from among those who apply in response to the website posting.

IV. CONSULTATION WITH PARENTS AND STAFF
Following completion of candidate interviews, the Chancellor’s designee will determine the proposed final candidate or candidates for community superintendent and will ensure that consultation occurs with the district’s Community Education Council and Presidents’ Council, as well as a representative of the UFT, a representative of the CSA, and a representative of DC 37. Such consultation shall include a meeting at which the councils and employee representatives listed above have the opportunity to meet and talk to the proposed final candidate(s) and to provide feedback to the Chancellor’s designee. The Chancellor’s designee shall consider such feedback prior to recommending a candidate for community superintendent to the Chancellor.

V. SELECTION AND APPOINTMENT
Following the consultation and consideration of the feedback from the councils and employee representatives set forth in Section IV, the Chancellor’s designee will recommend a candidate for community superintendent to the Chancellor. The acting superintendent must meet New York State certification requirements, i.e., must possess a New York State School District Leader Certificate.
