Run

Run for a NYC Education Council

Community and Citywide Education Councils (CCECs) offer important advice to the Chancellor and NYC Department of Education. CCEC work includes:

- Hosting town halls with the Chancellor
- Advising on education policies and improvements to school buildings
- Collaborating with superintendents to improve student achievement
- Deciding on zoning lines and consulting on school co-locations

As the parent of an NYC public school student, you have the expertise we're looking for!
