Re: Early Childhood Learn at Home Materials

Dear Families,

This *Learn at Home: Early Childhood Instructional Activities* packet includes activity suggestions you can do with infants, toddlers, and children who are 3 and 4 years old. The activities are intended to be easily done inside and with limited materials. There is also guidance on self-care for grown-ups, as well as tips and general links to support conversations with your child around the novel coronavirus, COVID-19.

You are receiving a printed copy of this packet, and it will also be available online at the following link in the 10 DOE languages:

[schools.nyc.gov/learning/learn-at-home/early-childhood](https://schools.nyc.gov/learning/learn-at-home/early-childhood)

In the current environment, it is important for all of us to take care of ourselves and our families, and we hope these activities and tips will support your family during this time.

Sincerely,

Division of Early Childhood Education
