## 1.0 3-K for All

3-K for All brings free, full-day, high-quality education to three-year-old children in New York City, in a growing number of communities.

### 1.1 Which Districts Offer 3-K?

In fall 2019, we will offer 3-K programs in the following districts, with the goal to bring 3-K for All to every school district in New York City:

- District 4 | East Harlem
- District 5 | Central Harlem, Manhattanville
- District 6 | Washington Heights
- District 7 | South Bronx
- District 8 | Throgs Neck, Country Club, Pelham Bay, Castle Hill, Soundview, Hunts Point
- District 9 | Highbridge, University Heights
- District 16 | Bedford-Stuyvesant
- District 19 | East New York
- District 23 | Brownsville, East New York, Ocean Hill
- District 27 | Broad Channel, Howard Beach, Ozone Park, Rockaways
- District 31 | Staten Island
- District 32 | Bushwick

**Tip:**

3-K information is being updated regularly, and we will be adding new programs throughout the application period. Use MySchools ([MySchools.nyc](https://www.myschools.nyc.gov)) to find the most up-to-date list of 3-K programs and information about 3-K admissions. All program information about the two newest 3-K districts, District 8 and District 32, will be available in MySchools beginning in March. Sign up for the 3-K admissions email list at [schools.nyc.gov/Connect](https://schools.nyc.gov/Connect) to be notified when programs in these districts are added to MySchools.

### 1.2 Who Can Apply?

All New York City families with children born in 2016—including children with disabilities, children whose home language is not English, children with accessibility needs, and children in temporary housing—can apply by **May 3** for 3-K programs that start in fall 2019. If your child lives in a school district that offers 3-K for All, they will have priority to attend some 3-K programs in their district, but every family who lives in New York City is welcome to apply.

**Tip:**

Use MySchools ([MySchools.nyc](https://www.myschools.nyc.gov)) to find your school district.

Families in temporary housing should apply to 3-K or other early childhood programs even if their housing situation is uncertain. Students in temporary housing are not required to submit documentation (including address, proof of date of birth, and immunization records) in order to participate in any admissions process or enroll in a 3-K program. Learn more at [schools.nyc.gov/STH](https://schools.nyc.gov/STH).

## 2.0 Find 3-K Programs

### 2.1 Program Settings

3-K for All programs are located in three different settings:

**DOE public schools.** Some DOE public elementary schools offer 3-K programs.

**Pre-K Centers.** Also run by DOE staff, Pre-K Centers only serve grades before kindergarten. These programs are located either in existing school buildings or at other DOE sites.

**NYC Early Education Centers.** Some community-based organizations or school-based providers provide 3-K. Carefully evaluated and selected, these programs are supported by the Division of Early Childhood Education. Some NYC Early Education Centers have flexibility in how they choose to schedule program hours, and they may provide optional program hours in the middle of the day or on weekends or holidays. Use MySchools ( **MySchools.nyc**) and contact programs directly to learn more.

### 2.2 Program Details

Use the program lists in this guide to view your 3-K options at a glance and learn about 3-K admissions. Find out about each district's admissions priorities, and learn the following about each 3-K program:

- Program setting—DOE public school (zoned or non-zoned), Pre-K Center, or NYC Early Education Center
- Location—street address
- Accessibility information, when available—fully accessible programs are marked with , and partially accessible programs are marked with . For NYC Early Education Centers, contact programs directly to learn about their accessibility.
- Extended hours—a checkmark indicates that the program offers early drop-off and/or late pick-up; contact programs directly to learn more
- Contact information—phone number
- Eligibility—for NYC Early Education Centers only, a checkmark indicates that the program has income or other eligibility requirements for some or all seats through EarlyLearn

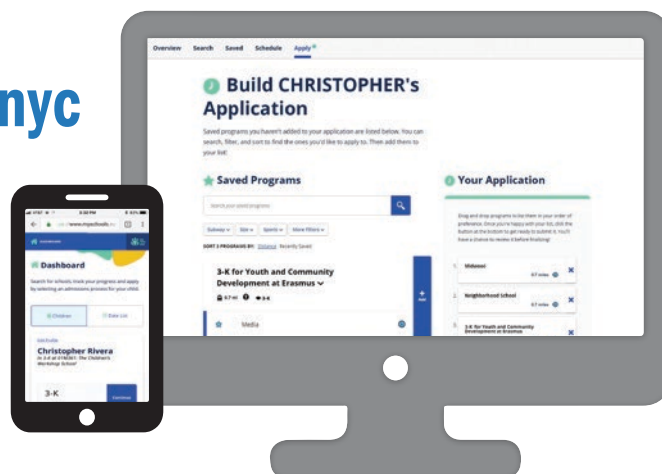

#### Tip:

Use MySchools ( **MySchools.nyc**) to find the most up-to-date 3-K program listings and more detailed information about each program, including all information about 3-K programs in District 8 and District 32. MySchools is both an online directory for 3-K programs and your child's personalized application. Need help getting started with your 3-K program search? Request a call from our Outreach Team at **nyc.gov/3K**.

## 3.0 Visit 3-K Programs

Visiting a program is the best way to explore whether it's a good fit for your child. It's also a great way to see how long the trip is from home, and to think about how your child would get to that program each day. Contact 3-K programs directly to find out if they have special events, open houses, or tours. The calendar at [nyc.gov/3K](http://nyc.gov/3K) is another way to find a program's open house dates.

## 4.0 Apply to 3-K by May 3, 2019!

Apply to 3-K by Friday, May 3, 2019. Only a child's primary custodial parent or guardian can submit their 3-K application, and only one application can be submitted per child. You can apply one of three ways.

## 5.0 Learn About Admissions Priorities

When there is not enough space at a program for all children who apply, offers are made based on admissions priorities. Admissions priorities are different for each 3-K program type, as well as for zoned and non-zoned schools.

### 5.1 Priorities for 3-K Programs

3-K program types make offers to applicants in the following order:

Priority Group Order ↓	 DOE Public Schools (Zoned Schools)	 DOE Public Schools (Non-Zoned Schools)	 Pre-K Centers	 NYC Early Education Centers
1st to	Children who live in the zone and will have a sibling at the school	Children who live in the district who will have a sibling at the school	Children who live in the district and who will have a sibling at the Pre-K Center	Children currently enrolled at the NYC Early Education Center
2nd to	Other children who live in the zone	Children who live outside the district who will have a sibling at the school	Children who live outside the district and who will have a sibling at the Pre-K Center	Children who have siblings enrolled at the NYC Early Education Center
3rd Priority	Children who live in the district and will have a sibling at the school	Other children who live in the district	Other children who live in the district	Children whose families currently get free or subsidized social services from the organization running the center's 3-K program
4th Priority	Children who live outside the district and will have a sibling at the school	Other children who live outside the district	Other children who live outside the district	Other children who live in the district*
5th Priority	Other children who live in the district			All other children
6th Priority	Other children who live outside the district			

\*This priority is not applicable at programs with EarlyLearn seats.

## 5.2 Additional Eligibility Criteria

---

Some NYC Early Education Centers' programs have eligibility criteria related to household income, address of residence, government services received, and/or childcare needs. Use the Program Lists in this guide or MySchools ([MySchools.nyc](https://www.myschools.nyc.gov)) to learn which NYC Early Education Centers have EarlyLearn seats—programs that do will include a note. Please contact these programs directly to find out about income and other eligibility requirements *before* completing your 3-K application.

## 6.0 Get Your 3-K Results

---

All families who submit their 3-K application by the deadline will get a results letter in May. This letter may include an offer to a 3-K program, as well as a notification if your child was placed on any waitlists.

### 6.1 Offers

---

If you get a 3-K offer, pre-register to accept it! Contact the program to set up a time to pre-register. Then bring your child and all required documents to secure your child's place in the program. Be sure to bring:

- The child who you are registering
- Proof of your child's age (child's birth certificate, passport, or baptism record)
- Your child's immunization records, if available
- Two documents verifying proof of address; find examples of acceptable documents at [nyc.gov/3K](https://www.nyc.gov/3K)—scroll down to view the online Pre-Registration Checklist.

**Please note:** Students in temporary housing are not required to submit documentation (including address, proof of date of birth, and immunization records) in order to enroll. Programs must pre-register the student and then work with a DOE representative to obtain documentation.

### 6.2 Waitlist Offers

---

When a 3-K program has more applicants than seats, a waitlist is created for that program.

- If your child gets a 3-K offer to a program that was not your first choice on their 3-K application, they will be automatically added to the waitlist for any program that you placed higher than the program where they got an offer.
- If your child doesn't get a 3-K offer, they will be added to the waitlists of all programs listed on their 3-K application.

Waitlists use the same admissions priorities described in **Section 5.1**. Programs will contact you directly if they are able to offer your child a seat from the waitlist.

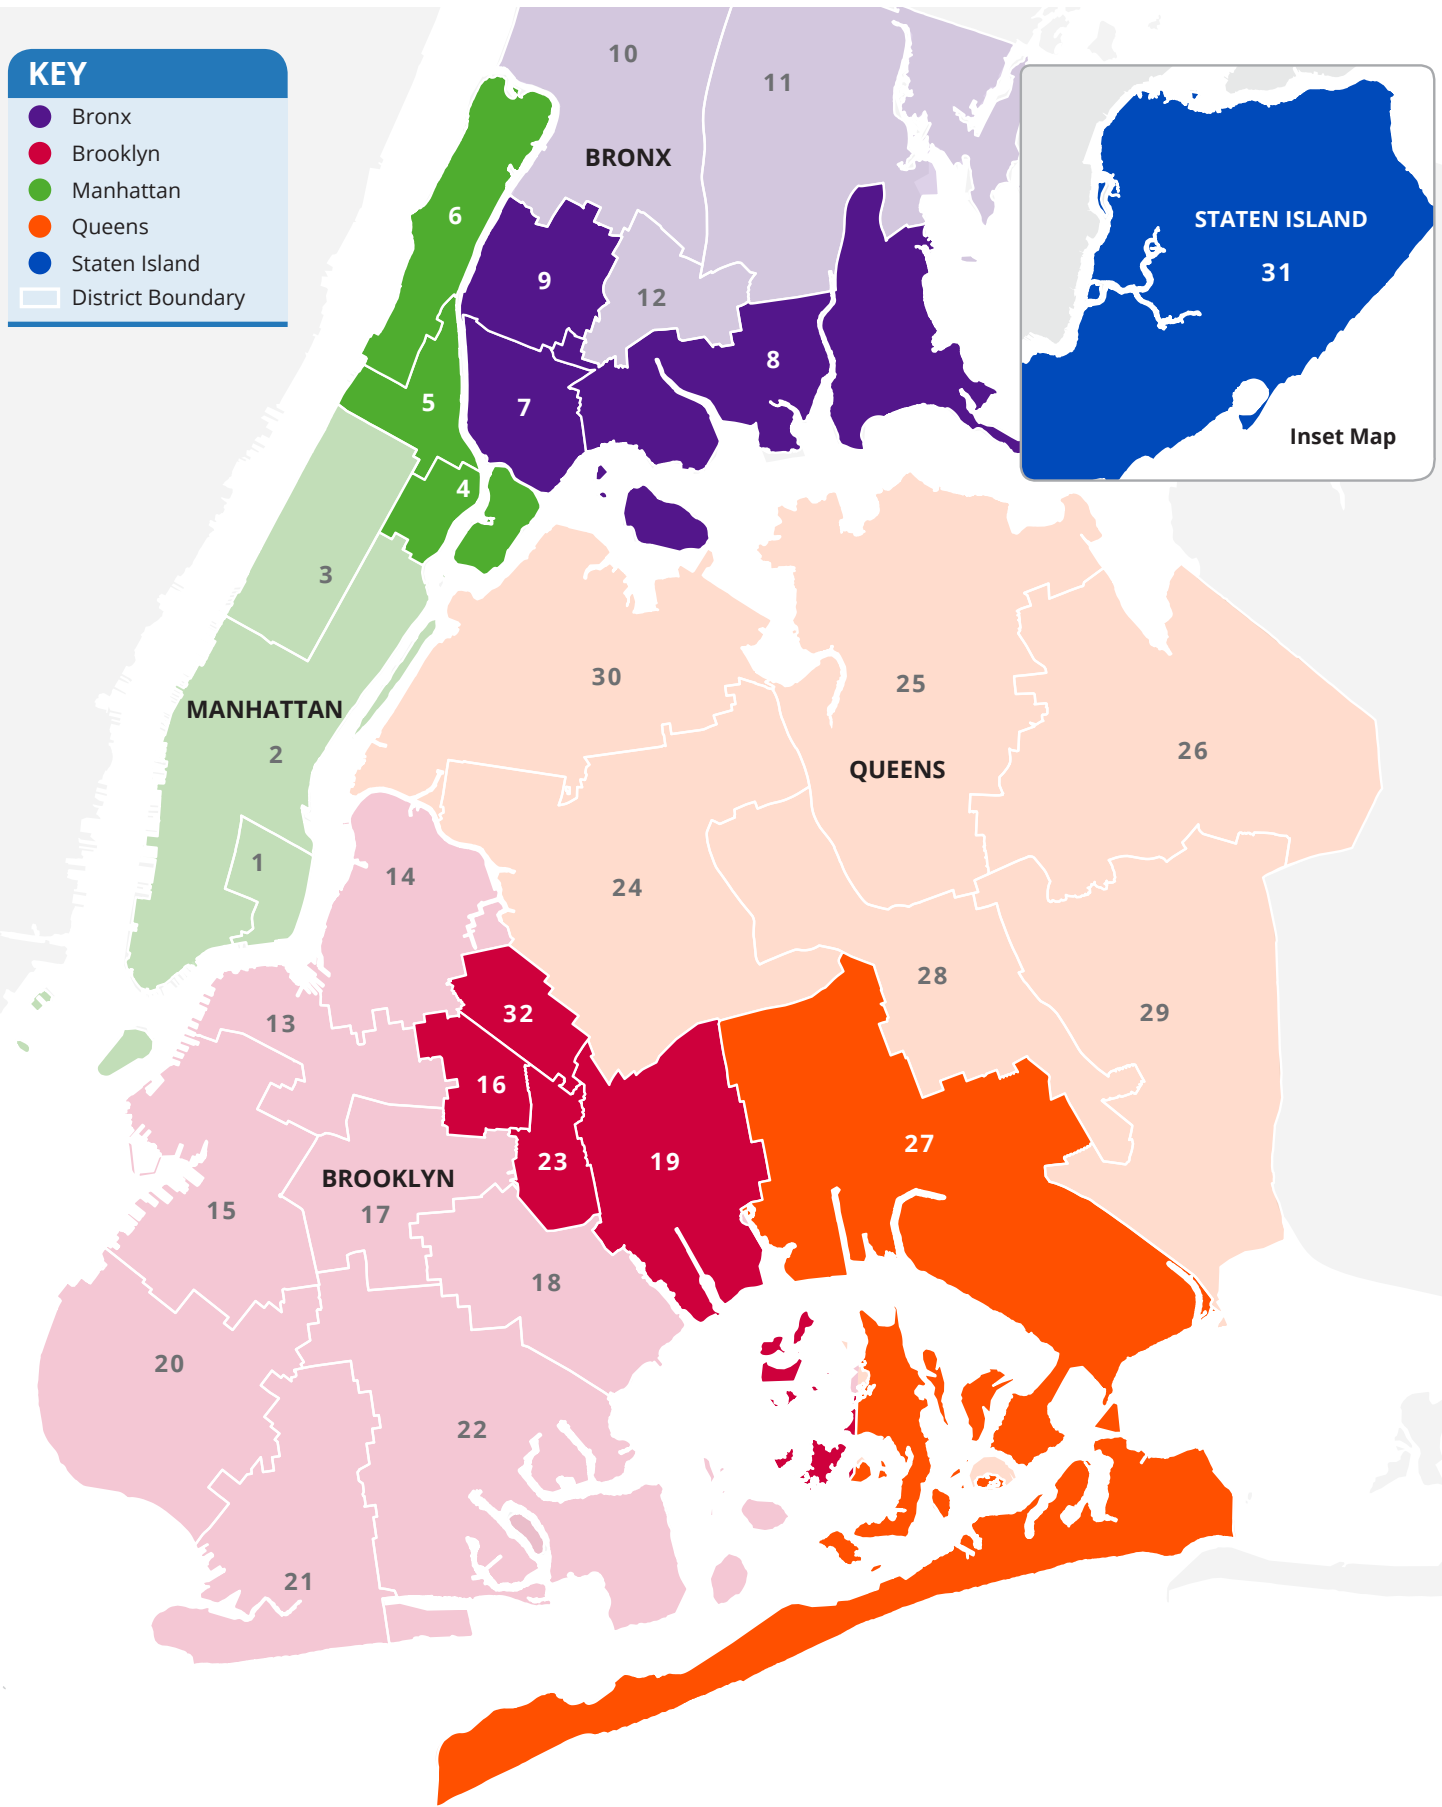

### 6.3 Other Programs for Three-Year-Olds

---

If you don't get a 3-K offer, learn about other options. In addition to 3-K for All programs, New York City also provides hundreds of free or low-cost child care or educational programs for six-week-old to four-year-old children through EarlyLearn. Eligibility for these programs is based on your family's income, size, and needs. If your family qualifies, your child can begin a program at any point during the year. Learn more about these programs and eligibility requirements at [nyc.gov/EarlyLearn](https://www.nyc.gov/EarlyLearn).

# 3-K Districts

In fall 2019, we will offer 3-K for All programs in more than a third of New York City's districts, with the goal to bring 3-K programs to every school district in the City. Children have priority to attend some 3-K programs in the district where they live, but all New York City families can apply to 3-K.
