UPDATE!

Medgar Evers Preparatory School (17K590) is now a citywide school open to all NYC students. When the middle school application opens, learn more about Medgar Evers at myschools.nyc.
## Middle School Admissions TRUTHS

1. **You can see all the programs your child can apply to when using the online application.**
   **True!** The middle school application is personalized for your child; every option you see in the application is one to which your child is eligible to apply and, if admitted, to attend.

2. **Place your program choices in your true order of preference in the application.**
   **True!** You will get an offer to your highest ranked program possible.

3. **Adding more programs to your application makes it more likely you’ll be matched to a program of your choice.**
   **True!** You'll have the same chance of getting into a top choice no matter how many choices you place after it.

4. **For some schools, showing interest means signing in at the school's table at a middle school fair or at a school's open house or information session.**
   **True!** Some programs with admissions methods such as limited unscreened give priority to students who show interest in the school.

5. **Students learning English can apply to all programs in this Middle School Directory.**
   **True!** All New York City public middle schools provide English Language Learner (ELL) services for students. Read Section 8.2 in this directory to learn about our three types of ELL service delivery models offered in middle schools.

6. **Students with disabilities can apply to all programs in this Middle School Directory.**
   **True!** All New York City public middle schools provide services for students with disabilities. Middle school programs have seats for students with disabilities.

---

**TIP**
- Use this Middle School Directory to research programs.
- Be sure to submit an application that includes a variety of program choices.
- After adding your favorite programs, add other programs you’d prefer to attend over the remaining options.
- When signing in at an event, write your name and contact information clearly.

**TIP**
- There are programs designed to serve students who are learning English. These programs admit students according to home language, years in this country, or English proficiency.
- On each school page, you can see how many seats each program had for students with disabilities last year.

---

### ABOUT THE COVER

**Student:** Natalie Fernandez  |  **Teacher:** Izabela Nieznalski  |  **Principal:** Corey Prober

Each year, the NYC Department of Education and Cooper Hewitt, Smithsonian Design Museum partner on a cover design competition for public high school students. This directory’s cover was designed by Natalie Fernandez, a student at the School of Cooperative Technical Education (Co-op Tech). Fernandez drew all of the sketches on this cover by hand; her design was inspired by all the middle school students who doodle in their notebooks and find ways to express themselves.
The information in this directory is accurate at the time of publication but may be subject to change. For the most up-to-date information, contact schools directly.

It is the policy of the New York City Department of Education to provide equal educational opportunities without regard to actual or perceived race, color, religion, age, creed, ethnicity, national origin, alienage, citizenship status, disability, weight, gender (sex) or sexual orientation, and to maintain an environment free of retaliation or harassment, including sexual harassment, on the basis of any of these grounds. Inquiries regarding compliance with this policy may be directed to: Director, Office of Equal Opportunity, 65 Court Street, Room 1102, Brooklyn, New York 11201. Welcome to Middle School Admissions

Middle school offers students opportunities to explore their interests, discover new subjects, and learn more about themselves. This fall, your child will apply to middle school using a personalized online application. They may apply to any programs they're eligible for, and they can apply to up to 12 programs.

Use this directory to learn about the middle schools that are open to students and residents of this district. Discover programs that meet your child's needs and interests, learn about middle school admissions, and find out what makes a good middle school application.

Stay Engaged with Admissions

Middle School Admissions Website | schools.nyc.gov/Middle | Get the latest updates, additional resources, and dates for middle school fairs and open houses.

Explore Middle Schools

Find a School | schools.nyc.gov/Find-a-School | Learn about choices for your child's middle school application on your desktop or mobile device. Find out if you live in an area zoned to a particular middle school program.

Trip Planner | mta.info | Find the best route from home to school by subway or bus.

Apply to Middle School

Submit your middle school application online by December 3, 2018. Learn how to apply at schools.nyc.gov/Middle. Your child's school will provide clear instructions on how to access this application.

Need help?

☐ Talk to your child's elementary school counselor
☐ Visit a Family Welcome Center—find locations at schools.nyc.gov/WelcomeCenters
☐ Call us at 718-935-2009
There are five steps in the middle school admissions process. Use this directory as your guide.

1. **Understand your middle school options.**
   - Learn about the programs that your child would be eligible to attend if they applied and got an offer. These will include programs at district, boroughwide, and citywide schools.

2. **Find schools that interest your child and meet their needs.** Start exploring schools and programs in the fall of your child’s fifth grade year.
   - Learn how to read a school page in Section 3.0.
   - Use the District Information and Map section of this directory to read about specific admissions information for your school district and to see where middle schools are located.
   - Browse the school pages in this directory to learn about middle schools. Find out about specific programs and activities, and think about your child’s daily commute.
   - Your child’s elementary school counselor will provide clear directions on how to access your child’s application and middle school options online. Use schools.nyc.gov/Find-a-School to explore middle schools from your desktop or mobile device and to find out if you have a zoned school.
   - Choose the schools and programs that seem like the best choices for your child. Discuss this list with your child and their school counselor.

3. **Know your chances of getting an offer from a school of your choice.** Learn about seat groups, program demand, admissions priorities, admissions methods, and selection criteria in Section 4.0.

4. **Create your own admissions calendar.** Use the Action Checklist on the next page as a guide. Go to middle school fairs and visit schools—learn more in Section 5.0.

5. **Apply to middle school by December 3, 2018.**
   - Go to schools.nyc.gov/Middle for the most up-to-date information on how to apply. Your child’s elementary school counselor will provide a clear set of directions on how to access your child’s personalized application.
   - Add programs to your child’s online application and place them in your true order of preference. You can apply to up to 12 programs.
   - Submit your child’s middle school application by December 3, 2018. Learn more in Section 2.0.
   - Get your child’s middle school offer in April—learn more in Section 6.0.
TIP
Find dates for middle school fairs, open houses, and other middle school admissions events at schools.nyc.gov/Middle.

1.0 Understand the Path to Middle School

1.1 The Middle School Application

This fall, apply online to Department of Education (DOE) middle schools with just one personalized middle school application.

Tip:
Be sure to explore your options. Add and rank up to 12 middle school programs to your child’s application! The middle school application is your best opportunity to get an offer to a school of your choice.

October
Access your child's personalized middle school application. Your elementary school counselor will give you a clear set of directions on how to apply.

By December 3
Complete the application by adding up to 12 middle school programs and placing them in your true order of preference.

April
1 offer

Submit your child's middle school application online by December 3, 2018. Visit schools.nyc.gov/Middle to get the most up-to-date information on when and how to apply. Then follow the directions from your child's current school to access their application online. In this personalized application, you will be able to see and explore every middle school program that your child is eligible to apply for and, if they get an offer, to attend. You can apply to up to 12 of these programs by adding them to your child's application and ranking them in your order of preference.

If you need help completing or submitting the application, visit your school counselor or a Family Welcome Center—find locations and hours at schools.nyc.gov/WelcomeCenters. In the spring, you will get your child's middle school results, which will include an offer to a middle school program. An offer means placement in that program for the following school year.

Your child may also be eligible to apply to new DOE schools or programs that were not part of the middle school application. If so, we will invite you to apply. If your child gets an offer to a new school or program, you will get to choose between their new school offer and their middle school application offer.
1.2 Who Can Apply?

Your child must be both a current New York City resident and a current fifth-grade student, or a current sixth-grade student at an elementary school that ends in sixth grade, to apply to DOE public middle schools.

All of the following students are welcome to apply:

- Current public district or charter school students, private school students, and parochial school students
- Students with accessibility needs—learn more in Section 8.1
- Students learning English—learn about English Language Learner (ELL) service delivery models in Section 8.2
- Students with disabilities—learn more in Sections 4.7 and 8.3
- Students in District 75 programs—learn more in Section 8.4
- Students in temporary housing—learn more in Section 8.5
- LGBTQ and gender nonconforming students—learn more in Section 8.6
- Students new to NYC public schools—learn more in Section 2.2

New Students

If you move to New York City during the school year and need to find a middle school now or if you missed the application deadline and need to enroll for next fall, visit our New Students page (schools.nyc.gov/NewStudents) to learn how to enroll.

1.3 Charter Schools

Charter schools are free public schools that are open to all New York City students and that operate independently from the Department of Education (DOE). Instead, charter schools operate under a performance contract, or charter, issued by a New York State authorizer. Charter schools are accountable for meeting specific academic goals and often try different approaches to ensure their students meet these goals.

Charter schools have a separate middle school application process. If you would like to apply to middle school at a charter school, please contact that school directly to learn about their enrollment and admissions.

Any student eligible for admission to a DOE public school is eligible for admission to a public charter school. For a list of charter middle schools in this district, turn to the back of this directory. Visit schools.nyc.gov/Charters or call 212-374-5419 for more general information about charter schools in New York City.
2.0 Apply to Middle School

2.1 How to Apply—Current NYC Public School Students

Submit your middle school application online by December 3, 2018. Visit schools.nyc.gov/Middle for the most up-to-date information on when and how to apply. When the application becomes available this fall, your child’s school will provide you with clear instructions on how to access it.

Need help?
- Talk to your child’s elementary school counselor
- Visit a Family Welcome Center—find locations at schools.nyc.gov/WelcomeCenters
- Call us at 718-935-2009

2.2 How to Apply—Private or Parochial School Students

If your child currently attends a private or parochial school but wants to apply to public school, apply to middle school by visiting a Family Welcome Center with your child. Find locations and hours at schools.nyc.gov/WelcomeCenters. Also visit the New Students page at schools.nyc.gov/NewStudents to learn how to enroll and learn what documents you need to register.

2.3 Your Child’s Information

If your child is a current NYC public school student, the middle school application will contain information about your child. Check to make sure each of the following is correct and complete—if not, tell your child’s school counselor immediately.

Student Information
- Your child’s full name, date of birth, current grade level, current school, and ID number
- Your child’s current address and, if applicable, your zoned middle school—learn if you have a zoned school at schools.nyc.gov/Find-a-School
- Your child’s academic record—learn more in Section 4.9
  - New York State ELA and math test scores and dates, if applicable
  - Final attendance report from the 2017-2018 school year
  - Final June 2018 report card grades
- A parent or guardian’s name and phone number
- Information about your child’s Individualized Education Program (IEP), if they have one—learn more about special education in Section 4.7
- Information about any accessibility needs—learn more in Section 8.1
- Information about any English Language Learner (ELL) services—learn more in Section 8.2

If your child has any extenuating circumstances regarding attendance, grades, or test scores, tell your counselor.
2.4 Middle School Program Choices

In your child's personalized online application, you will be able to see and explore every middle school program that they are eligible to apply for and, if they get an offer, to attend.

Your Choices

From these options, you can add up to 12 middle school programs to your child's application. Add the programs that interest you and your child the most and rank them in your true order of preference in the application. Ranking means choosing the program your child most wants to attend and placing it in the #1 spot in the application, placing their second choice in the #2 spot, and so on.

Tip:

Submitting a middle school application is your best opportunity for your child to get an offer to one of the schools you prefer, so be sure to make thoughtful choices. You may use your child's middle school application to apply to any programs they're eligible to attend.

Middle School Programs

The following district, boroughwide, and citywide programs will be listed on your child's middle school application:

- **District programs** at schools in the district where your family is zoned for middle school and, when different, in the district where your child attends public elementary school. Sometimes families are zoned for middle school in a different district than where they are zoned for elementary school—middle school zone determines eligibility for where a student may apply for middle school
- **Boroughwide programs** at schools with programs open to students in your borough
- **Citywide programs** at schools with programs open to all NYC students

Talent Tests

The following programs require talent tests as part of their admissions process. If you're interested in applying to any of these programs, register your child to take talent tests in two talent areas. Your child's school counselor can provide clear instructions on how to register for testing and apply to these programs as part of the online application process.

- **Mark Twain for the Gifted & Talented (IS 239)**: This middle school is open to all NYC residents—learn more in the back of this directory.
- **District 21 Talent Programs**: These programs are open only to students who go to school or are zoned for middle school in District 21.
Learn About Schools and Programs

3.1 School Pages

A school’s page in this directory can help you decide if it might be a good place for your child.

Here is what a sample school page looks like. As you look at each section, consider how a school’s offerings line up with your child’s needs and interests. Are its courses and activities ones that your child enjoys, does well at, or would like to explore?

Please note that all of the information on a school page is from a previous school year and may change for the 2019-2020 school year. Contact schools directly for the most up-to-date information.

Program Eligibility:
- Open to students residing in the zone
- Zoned

Admissions Method:
- Screened: To students and residents of Brooklyn

- 34% of students scored at level 3 or 4 on the State English Test
- 23% of students scored at level 3 or 4 on the State Math Test

51% of students feel safe in the hallways, bathrooms, locker room, and cafeteria

Search 99A123 at schools.nyc.gov/Find-a-School for more about this school.

SCHOOL LIFE
- Total Students: 237 (Grades: 6-8)
- Community School: Yes—Neighborhood Organization
- Uniform: Yes
- School Day: 8am-2:25pm
- Extended Day: Yes
- English Language Learner Program: English as a New Language
- Community Service: Yes
- Summer Session: Yes
- Weekend Program: Yes

LANGUAGE: French, Spanish

ACADEMICS
- Accelerated: Algebra, Living Environment
- Elective: Chorus, Debate, Drama, Multimedia Production, Robotics
- Book Club, Chess Club, Dance Club, Leadership Club, Drama, Musical Arts, American Sign Language, Music Production, Regents Preparation

ACTIVITIES
- Specialized High School Preparation Courses
- CHAMPS Sports—Coed: Fitness Club, Volleyball
- Sports: Baseball, Basketball, Tennis

Neighborhood: Downtown
Address: 1738 City Lane, Brooklyn, NY 99999
Shared Space: No
Accessibility: Fully Accessible
See section 8.1 for more information
Subway: Q, 3 to City Lane
Bus: B13, B36, Q4

Contact: Ms. Johnson, Principal
Email: example@schools.nyc.gov
Website: schools.nyc.gov/Find-a-School
Phone: 718-555-5555

Use school location information to consider your child’s daily commute.
Learn more about accessibility in Section 8.1.

Call or email about a school’s open house or to ask questions.
Learn if a school offers academic programs, languages, and electives that interest your child.

Learn about a school’s activities, including clubs, ensembles, and teams. Does the school offer activities that your child already performs well at or would like to try?

Tip: When considering a middle school, think about how your child would commute to it. Use the map in the District Information and Map section of this directory to see the location of all public middle schools in this district, including middle schools from your child’s middle school application. For the most up-to-date public transportation information, use the MTA’s Trip Planner at mta.info. Learn more about transportation options for middle school students in Section 8.7.
3.2 Community Schools

Learn if a school of interest is a community school by looking in the School Life section of its page.

Community schools offer an integrated focus on academics, health and wellness services, youth development, expanded learning opportunities like after-school and summer enrichment activities, and family and community supports to ensure that students are ready and able to learn, to graduate college, and to be career-ready. Each community school serves as a hub where parents/guardians and family members, community-based partners, community members, and school staff come together to coordinate and integrate a range of supports based on the assets and needs of individual students.

3.3 School Performance

Use this section of the school page to learn more about a school's performance in terms of academics and safety. The sample below shows that 93% of students feel safe at this school, as reported on the NYC School Survey.

For more information on school performance, speak to your child's school counselor or search for a school at schools.nyc.gov/Find-a-School, where you can find details on any school's performance in their School Quality Reports.

3.4 Programs Offered

When your child applies to middle school, they are not just applying to schools—they are applying to programs. Think of a program as a doorway into the school. If a school has multiple programs, your child can apply to more than one program at that school. For instance, a middle school might have a zoned program and a Dual Language program; if your child were zoned for this school and also eligible for the Dual Language program, they might apply to the same school twice—one through each of these programs.

Each school page in this directory provides information about a school and its program or programs. As you explore schools, look for programs that could help your child learn and grow.

Use the Programs Offered section of a school page to learn more about your chances of getting an offer to a specific program.
Look through the Middle School Directory school pages. Choose an eligible school that they are interested in applying to and attending. Fill in each box with information about that middle school.

Name of School: ____________________________

How many students go to this school? ____________________________

How would my child get to this school from where we live? ____________________________

What phone number, email, or website can I use to get information on how to visit this school? ____________________________

What time does a typical day start for sixth graders? ____________________________

List two academic courses this school has that seem interesting.

List two activities this school has that seem interesting.

If there is more than one program at the school, which program(s) would you apply to? Why? ____________________________
Several factors play a role in how students get offers to middle schools. Some of these factors are ones you can control; others are determined by the school. Learning about all of these factors can help you make informed choices about where to apply. These are the factors:

- **Your Application Choices**
  - The programs you add to your application and the order in which you place, or rank, them

- **Your Information**
  - Where you live, your academic record, and/or other factors

- **Applicants Per Seat**
  - The number of seats available for applicants and how popular the program is (demand)

- **Admissions Priorities**
  - The order in which programs consider groups of applicants—learn which priority group you're in for each program

- **Admissions Methods**
  - What programs use to make offers to applicants

*Only for some programs

### 4.1 Your Application Choices

The most important factor in determining where your child goes to middle school is how you complete their middle school application. For your child's online application, you will see as options all the middle school programs that your child would be eligible to apply for and, if admitted, attend.

1. From these options, choose up to 12 programs that your child would like to attend. Add these programs to your child's application—adding more choices increases your chances of getting an offer to one of those choices.

2. Then rank these programs from your favorite to least favorite. **Ranking** means placing your first-choice program in the #1 spot in the application, your second-choice program in the #2 spot, and so on.

- Be sure to rank your choices in your true order of preference!

- Adding more choices does NOT lower your chance of getting an offer to a top choice program. You have the same chance of getting an offer from your top choice whether you include only that choice or eleven additional choices below it.

Your child will get an offer from their highest possible choice considering the other factors discussed in this section.

### 4.2 Your Information

Some programs give an admissions priority (see **Section 4.4**) to students who live or attend school within a particular zone, district, or borough. Also, some programs use students' academic records in admissions, so for these programs, your child's performance matters. See **Section 4.8** to learn which programs use where your family lives or your child's academic records in admissions.

**Tip:**

Programs at the same school may have different admissions priorities and admissions methods. You may decide to apply to one program over another based on this information.
4.3 Eligibility

Some programs in your district may be open only to students who live or go to school in a certain borough or district. Other program eligibility requirements might be based on gender, home language, or other factors. In the example below, this program’s eligibility is “Open to students and residents of Brooklyn.” This means that students who live or attend public elementary schools in Brooklyn will see this program as an option in their middle school application, but students who live in other boroughs will not see or have it as an option.

<table>
<thead>
<tr>
<th>PROGRAMS OFFERED</th>
<th>(I.S. 123) Academic Honors Program</th>
<th>Program Code: A1235</th>
</tr>
</thead>
<tbody>
<tr>
<td>Admissions Method:</td>

<tr>
<td>Admissions Priorities:</td>
<td>Priority to students and residents of the District. Then to students and residents of Brooklyn. Last year, this program admitted students from all priority groups.</td>
<td></td>
</tr>
<tr>
<td>Selection Criteria:</td>
<td>Academic and Personal Behaviors - Attendance - Final 4th Grade Report Card - Punctuality - 4th Grade New York State ELA and Math Exams</td>
<td></td>
</tr>
</tbody>
</table>

4.4 Admissions Priorities

A program’s admissions priorities determine the order in which groups of applicants are considered for offers to each program.

- If a program has multiple admissions priorities, students are considered in groups, and all students in the first priority group will be considered first.
- If seats are available, students in the second priority group will be considered next, and so on.

If a student falls into priority group 1, they will have a better chance of getting into a particular program than students who fall into lower priority groups. Schools with more than one middle school program may have different admissions priorities for each program.

Look at the following example of admissions priorities on a school page.

Think about it this way.

This means...

- Students in and residents of the district who ranked this program in their applications are in the first priority group. They will be considered first for any available seats.
- Students in and residents of Brooklyn are in the second priority group. They will be considered next for any available seats.
This section also includes the information that last year, applicants from both priority groups got offers from this program.

Here are some common admissions priorities used to determine offers:

<table>
<thead>
<tr>
<th>Admissions Priority (What It Says on the School Page)</th>
<th>What It Means</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Priority to continuing 5th graders</strong></td>
<td>Students who currently attend a school that continues to eighth or twelfth grade are guaranteed an offer to continue attending that school if they add it to their middle school application. Students will first be considered for any programs that they placed higher in their applications. You do NOT need to rank your child's continuing school as your first choice to be guaranteed an offer there, but you do have to add it as one of your choices.</td>
</tr>
<tr>
<td><strong>Priority to students and residents of the district</strong></td>
<td>Students may have priority based on the district, borough, or geographic area where they live and/or go to public school. If a student lives and goes to public school in different boroughs or districts, that student has priority in both places.</td>
</tr>
<tr>
<td><strong>Priority to students who attend an information session</strong></td>
<td>Students who sign in at a program's open house or at the school's table at a fair are put in a higher priority group. This priority is connected to the limited unscreened admissions method (see Section 4.8).</td>
</tr>
<tr>
<td><strong>Priority to students who apply and live in the zoned area</strong></td>
<td>Students who are zoned to a middle school—or a campus containing multiple middle schools—have priority to attend that school or schools. To get this priority, be sure to add your zoned school to your child’s middle school application. You do NOT need to rank your zoned school as your first choice to get the priority. To find out if you have a zoned school or schools, check your application or visit schools.nyc.gov/Find-a-School.</td>
</tr>
</tbody>
</table>

**Tip:**
It is a good strategy to apply to programs where your child is in the highest priority group (the first priority group). The higher the priority group, the higher the chances of getting an offer to attend that program.

### 4.5 Diversity in Admissions Pilots

Middle schools across the city are participating in an effort to increase diversity in their programs.

The current list of schools participating in diversity pilots is available on our website—learn more at schools.nyc.gov/DiversityAdmissions.
4.6 Applicants Per Seat

Each middle school has a specific number of seats for sixth grade students. In the Prior Year Admissions section for each program, the number of seats shows how many students got offers from that program last year. The number of applicants per seat shows how many students applied for each of these seats—the higher the number of applicants per seat, the more popular or in-demand the program is.

In the example below, four students applied for each general education seat.

The number of applicants per seat may affect your child's chances of getting an offer from that program. However, if a program you like has a high number of applicants per seat but is otherwise a good fit for your child, DO consider applying! Programs are not always as competitive as they seem. Some of last year's applicants were not in a program's first priority group and some applicants ranked other programs higher in their middle school application.

4.7 Seat Groups—General Education and Students with Disabilities

Seats are divided into two groups—general education and students with disabilities. Your child's application will show which seat group they are in. It is not something you choose.

<table>
<thead>
<tr>
<th>Seat Group</th>
<th>General Education Seats</th>
<th>Students with Disabilities Seats</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>For students who receive general education programming</td>
<td>For students who receive special education instructional programming* for 20% or less of their academic program</td>
</tr>
<tr>
<td></td>
<td>For students who receive special education instructional programming* for more than 20% of their academic program as indicated on their current IEP</td>
<td></td>
</tr>
</tbody>
</table>

*Special education instructional programming includes Integrated Co-Teaching (ICT) classes, Special Class (SC), and Special Education Teacher Support Services (SETSS). Related services, such as speech, occupational therapy (OT), and physical therapy (PT), are not considered special education instructional programming for the purposes of middle school admissions.

Look at the program information on a school page to see how many seats that program reserves for each group. The number of general education and students with disabilities seats in each program is based on the percentage of fifth grade students with disabilities in that school's district. These seat groups are used for admissions purposes only.

Every middle school program participating in middle school admissions is expected to welcome and serve students with disabilities in accordance with their Individualized Education Programs (IEPs). The IEP team at the middle school will review the IEP to ensure that all services and supports are in place. In some cases, the IEP team may refine the IEP to better meet student needs.

For more information, visit schools.nyc.gov and select the Special Education menu.
4.8 Admissions Methods

Admissions methods are the ways programs make offers to students. Admissions methods also describe what you need to do to be considered for a program. In most cases, all you have to do is add the program to your application. A school with multiple programs may have programs with different admissions methods, as in the following example:

<table>
<thead>
<tr>
<th>Program</th>
<th>Admissions Method</th>
<th>Program Eligibility</th>
<th>Prior Year Admissions</th>
<th>Seats Filled</th>
</tr>
</thead>
<tbody>
<tr>
<td>I.S. 123 Academic Honors Program</td>
<td>Screened</td>
<td>Open to students and residents of Brooklyn</td>
<td>General Education: 225 Applicants, 18 Seats</td>
<td>Yes</td>
</tr>
<tr>
<td>I.S. 123 Arts and Technology</td>
<td>Open</td>
<td>Open to students and residents of District 16</td>
<td>General Education: 698 Applicants, 346 Seats</td>
<td>Yes</td>
</tr>
</tbody>
</table>

Admissions Priorities: 1. Priority to students of the District 2. Then to students and residents of Brooklyn. Last year, this program admitted students from all priority groups.

Selection Criteria: Academic and Personal Behaviors - Attendance - Final 4th Grade Report Card - Punctuality - 4th Grade New York State ELA and Math Exams
## MIDDLE SCHOOL ADMISSIONS METHODS

**What Your Child Needs to Do** | **What Schools Use for Admissions**
---|---
### Open
100% of offers are to students who are randomly selected. There's nothing you need to do before you apply.

### Limited Unscreened
Demonstrate interest in a school by going to events.
- Sign in at an information session.
- Sign in at a school tour.
- Sign in at a school's table at a middle school fair.
- Confirm with the school that you will receive priority.

**Biographical Information**
Student name, home address, current school, gender, special education status

**Interest Shown in School**
For limited unscreened only

### Zoned
- Check your home address to see if you live in the zone—priority is given to these residents.
- Check your school address to see if you go to school in the zone—priority is also given to these students.

**Biographical Information**

### Screened
- Complete any additional requirements that may be listed on the school page.
- Check this program's selection criteria to see what schools use in admissions.
- Contact schools directly to learn how specific programs rank applicants.
- Discuss with your school counselor how competitive your grades and scores are.

**Biographical Information**

**Academic Record**
Schools rank applicants using factors that may include final report card grades from fourth grade, standardized test scores, internal assessments, and/or attendance and punctuality.

**English Language Learner Status**
For screened language only: home language, years living in the United States, current level of English proficiency, ELL services entitlement, previous enrollment in elementary school-level Dual Language and Transitional Bilingual Education programs in the target language.

### Screened Language
- Review the program’s information to make sure it would be of interest to your child.
- Contact schools directly to learn if/how they give priority to English Language Learners.
- Find out about the three models of English Language Learner programs in Section 8.2.

**Academic Record**
Schools calculate students’ composite scores by assigning students points for each or some of the following using corresponding components of their academic records: Final fourth grade report card, New York State ELA Exam score, New York State Math Exam score, and/or attendance and punctuality.

Then schools rank students by their scores and make offers to students in descending order of score.

### Composite Score
- Check this program's selection criteria on its school page to see what the school uses to assign composite scores. Also note how different programs weigh different selection criteria.
- Discuss with your school counselor how competitive your grades and scores are.

**Talent Test Scores**
Students are given offers in descending order of talent test score only. Other criteria are not seen or used in admissions.

### Talent Test
- You must take the talent test to be considered for these programs. When you add any of these programs to your application, you’ll be invited to schedule a testing date and time.

---

* In accordance with New York State law, test results will not be the sole, primary, or major factor in admissions decisions. Instead, schools will use multiple measures to make admissions decisions.
4.9 Selection Criteria

Programs that have a screened, screened language, or composite score admissions methods use specific selection criteria to make offers. Look at a program’s selection criteria on the school page to see which factors that program uses to admit students.

- **For screened or screened language programs:** These programs’ selection criteria tells you what their school uses to rank applicants—the example above shows selection criteria for a screened program.

- **For composite score programs:** These programs’ selection criteria tells you which information is used to create each applicant’s composite score.

The selection criteria for programs with screened or composite score admissions methods will tell you which of the following are used when ranking and scoring applicants:

- Final fourth grade report card
- Fourth grade New York State ELA and Math scores
- Attendance and punctuality from fourth grade
- Academic and personal behaviors, which are:
  - Manages time and consistently demonstrates effort to independently achieve goals
  - Works in an organized manner
  - Persists through challenges to complete a task by trying different strategies
  - Asks for help when needed
  - Respects school rules and works well in the school community

Academic and personal behaviors are usually part of the fourth grade report card. If your child’s school does not include them as part of the report card, ask school staff to provide this information.

Middle school admissions uses information from fourth grade to evaluate students for admission. School staff should not ask families to provide extra information in the form of report cards from additional years or separate recommendations from teachers.

**Tip:**
A program’s selection criteria can help you think about whether a program would be a good place for your child. For example, if your child has good grades and attendance but not good state exam scores, and a program looks at report card grades and attendance but not state exam scores, this selection criteria could work in your favor.
5.0 Go to Events and Visit Schools

Most of the middle school admissions process happens in the fall, between September and November. Create an admissions calendar to keep track of the dates and times of middle school fairs, open houses, school tours, and appointments for programs that require interviews, auditions, or on-site assessments.

5.1 Middle School Fairs

Attend the middle school fairs this fall. At these events, you can meet with representatives from different schools on the same day, in the same place. The middle school fairs for different districts will take place on different dates in October. Visit schools.nyc.gov/Middle for the latest news on when and where a district's middle school fair will be held.

Tip:
- Remember to have your child sign in at each school table you visit. Signing in will increase your child's chances of getting offers from programs that use the limited unscreened admissions method.

5.2 School Visits

Visiting a school is the best way to explore if it would be a good place for your child. It's also a helpful way to test the commute and see how long the trip is from home. Contact schools directly to find out if they have special events or open house listings.

Use our website to find a specific school's open house or information session dates—visit schools.nyc.gov/Middle.

Tip:
- When visiting schools, always ask questions. Use the activity in this section as a guide. On sign-in sheets, write your contact information clearly.
When you speak with a school representative at a middle school fair or open house, try to ask one question from each box. Create your own questions to learn more about a school.

Tear out this page and bring it when you and your child visit schools and fairs.

**School Culture**
How can my child get extra help with homework?
What makes your school special?

My question: ______________________________________________________________________________________________________

**Sixth Grade Students**
What time does the day start and end for sixth grade students?
Are there activities just for students in sixth grade? If so, what are they?

My question: ______________________________________________________________________________________________________

**Academics**
What are your most popular courses?
What makes your school's courses different from those at other schools?

My question: ______________________________________________________________________________________________________

**Activities**
What are some examples of clubs at your school?
When during a school day can students participate in activities?

My question: ______________________________________________________________________________________________________

**Admissions**
Where can I sign in to show interest in a school?
To apply to this school, do we need to do anything besides adding it to the application?

My question: ______________________________________________________________________________________________________
6.0 Get Your Middle School Results

In April, you’ll receive your child’s middle school results. These results will include an offer based on your child’s middle school application, and they may include a second offer from a new school or program. If your child receives two offers, you will have to choose between them.

7.0 Learn About Options After the Middle School Application

7.1 New Schools or Programs

If a new school or program is opening in your area, additional opportunities may be available for your child to apply to middle schools. If so, we’ll invite you to apply to new programs when they’re announced.

7.2 Appeals

Your middle school results letter will also include information about how to submit an appeal. If you want to try to change your child’s middle school offer, you may choose up to three programs on the appeal. Appeals are granted if there is remaining space in the program and if your child meets the selection criteria. You should only submit an appeal for a program that you would prefer more than your child’s middle school offer. If your appeal is granted, your child’s middle school offer will be automatically updated to a program requested on the appeal. For more information on appeals, talk to your child’s elementary school counselor.
8.0 Meeting Your Child's Needs

8.1 Students with Accessibility Needs

We are committed to ensuring that our programs, services, and activities are accessible to staff, members of the school community, students, and family members with disabilities. Facilities categorized as fully accessible are all buildings constructed post-1992 or partially accessible buildings that have been assessed and where it was determined all programs and services are accessible. Partially accessible buildings allow for persons with mobility impairments to enter and exit the building, access most relevant programs, and have use of at least one restroom, but the entire building may not be accessible.

We continually assess all of our buildings to determine levels of accessibility and ways to improve it. For the most up-to-date information on school building accessibility, please visit our website (schools.nyc.gov/BuildingAccessibility) or contact the school directly. We encourage you to visit schools to learn more about their accessibility.

8.2 English Language Learners

All NYC public schools provide a range of supports and services for English Language Learners (ELLs) to develop their English proficiency and prepare them for success in school, college, and/or careers. We offer three ELL service delivery models in NYC public middle schools:

<table>
<thead>
<tr>
<th>Program</th>
<th>Definition</th>
</tr>
</thead>
<tbody>
<tr>
<td>Dual Language (DL)</td>
<td>In Dual Language programs, students are taught in two languages: English and their home language, such as Spanish, Chinese, or French, among others. The goal of this program is for students to be able to read, write, and speak in both English and their home language. In Dual Language classes, the home language and English are used equally.</td>
</tr>
<tr>
<td>Transitional Bilingual Education (TBE)</td>
<td>Transitional Bilingual Education programs provide reading, writing, and other classes in English and in the student's home language. As students' English improves, time spent learning in English increases and time spent learning in the home language decreases. Once a student is no longer identified as an English Language Learner, they will exit the program.</td>
</tr>
<tr>
<td>English as a New Language (ENL)</td>
<td>English as a New Language programs, formerly called English as a Second Language or ESL, provide instruction in English with support in the students' home language so that they can learn to read, write, and speak English. Students in this program can come from many different language backgrounds, and English may be the only common language among them.</td>
</tr>
</tbody>
</table>

The school pages of this Middle School Directory indicate which of the ELL service delivery models above are currently offered in each middle school, based on school reported data.

All middle schools must provide the ELL Parent Survey and Program Selection Form at the parent orientation meeting which is offered to all newly-identified ELLs. If you do not receive this form, please request it from the school. You may use the form to indicate your preferred ELL service delivery model, even if your middle school does not currently offer it. Middle schools can open a Dual Language or Transitional Bilingual Education program when there are 15 or more ELLs who speak the same native language in any single grade whose parents/guardians request either program. In this way, families can request which ELL service delivery models are offered in their child's school.
For the most up-to-date information regarding ELL service delivery models, please contact schools directly. For more information about services and supports for English Language Learners (ELLs), call us at 212-323-9559 or visit schools.nyc.gov/ELL.

8.3 Testing Accommodations

If a student’s IEP shows testing accommodations, the accommodations will be provided when the student tests or auditions as long as the accommodations do not change the skills or content the test is measuring. If you are invited to participate in a test or audition, please be sure to work with your child’s elementary school to communicate your child’s needs and required supports and share documentation with the middle school as needed. Learn more about testing accommodations on our website (schools.nyc.gov)—type “Testing Accommodations” into the search bar.

8.4 Students in District 75 Programs

Students with disabilities who are recommended for and have attended a District 75 program and are considering a middle school outside of District 75 should work with their IEP team to determine whether the recommendation for District 75 for middle school is still appropriate.

- If the student’s IEP team determines that the student no longer needs District 75, then the student participates in middle school admissions through the current District 75 school.
- If a student’s IEP currently recommends a District 75 program and the IEP team determines that the student will continue in District 75 for middle school, the student will be notified of their District 75 middle school placement in May or June by their District 75 school.

8.5 Students in Temporary Housing

Students in temporary housing may apply to any of the programs included in their middle school application, even if their housing situation is uncertain. Students in temporary housing, as defined by The McKinney-Vento Homeless Assistance Act, are not required to submit documentation (including address, proof of date of birth, and immunization) in order to participate in an admissions process or enroll in school.

8.6 LGBTQ and Gender Nonconforming Students

Middle schools admit transgender and gender nonconforming students to programs and schools, including single-gender (female students only or male students only) programs, in accordance with their gender identity consistently asserted at school, regardless of sex assigned at birth. A transgender student interested in a single gender school should ask their school counselor to assist in the application process. Families can learn more at schools.nyc.gov/TransgenderStudentGuidelines.

8.7 School Location and Transportation

We offer transportation to middle school students based on these criteria:

- **Students in sixth grade** are provided with free transportation if they live one mile or more from the school; if they live closer than that but more than one half mile from the school, a half-fare MTA bus pass is available on request from their school. Free transportation is provided as either a yellow bus or a MetroCard. Students receive yellow busing if (i) their school has bus service, (ii) they live in the same school district as their school, and (iii) if a stop exists, or can be created. Stops cannot be created if they make the existing route longer than five miles, as measured through each stop to the school.
- **Students in seventh grade and above** are provided with MetroCards if they live one and a half miles or more from school. If they live closer than that but more than one half mile from school, a half-fare MTA bus pass is available on request from their school.

- **Students receiving special education services who are mandated to receive specialized transportation on their most recent IEP** are placed on bus routes to and from the school they attend. In addition, parents may request additional medical accommodations based on their child's special needs which may also affect the type of vehicle or route on which the student is placed.

For more information, call us at **718-392-8855** or visit [schools.nyc.gov/school-life/transportation/bus-eligibility](http://schools.nyc.gov/school-life/transportation/bus-eligibility).

### 8.8 Accountability

We collect information about school practices and outcomes, which can help identify each school's strengths and areas for improvement.

This directory lists some of this information on school pages. The Performance section on each school page contains the following:

- **Course and test results**: The percentage of students who passed courses in the core subjects (English, math, social studies, and science), and the percentage of sixth, seventh, and eighth grade students who scored at Level 3 or 4 on the New York State ELA and Math tests

- **NYC School Survey results**: The percentage of students who feel safe in the hallways, bathrooms, locker rooms, and cafeteria as reported on the NYC School Survey

Average performance data for schools in this district during the 2016-2017 school year can be found in the [District Information and Map](http://schools.nyc.gov/Find-a-School) section of this directory.

If you have questions about this section, please speak to your school counselor or enter any school's name in the search bar at [schools.nyc.gov/Find-a-School](http://schools.nyc.gov/Find-a-School)—click on the Data and Reports tab to find detailed information on each school's performance in their School Quality Snapshot, School Quality Guide, and other reports.
**District 24 Information and Map**

**Admissions Methods for Beacon Programs**
New York State Law states that schools cannot use a test score as the sole, primary, or major factor in admissions decisions. In accordance with this law, the following District 24 schools now admit students to their Beacon programs based on multiple measures including grades, state test scores, and attendance combined into a composite score:

- The Frank Sansivieri Intermediate School (I.S. 73)
- Glendale (I.S. 119)

Learn how each program determines a composite score on its school page.

**Multiple Zoned Schools**
Some families in District 24 are zoned to two schools: I.S. 77 and Ridgewood (I.S. 93).

If your family is zoned for this pair of schools, add both schools in order of preference to your child’s middle school application. Students are then given offers based on their preference and seat availability.

**Sixth Grade Students**
District 24 includes one or more elementary schools that end in sixth grade. At these schools, both fifth and sixth grade students are eligible to apply to middle school. Sixth grade students at other schools who are not in the final grade of their school are not eligible to apply.

---

**What is the performance of a typical District 24 middle school?**

- 95% of students passed core courses
- 43% of students scored at Level 3 or 4 on the State English Test
- 37% of students scored at Level 3 or 4 on the State Math Test
- 88% of students feel safe in the hallways, bathrooms, locker room, and cafeteria

District Schools

All students and residents of this district may apply to middle schools in this section.
At I.S. 5, We Talk Like Scholars, Write Like Experts, Think Like Innovators, and Live Like Leaders! Students appreciate that I.S. 5 provides them with a nurturing learning environment which is focused on developing their academic and emotional needs to prepare every student for high school and beyond. In order to foster connections between staff and students in a large middle school setting, I.S. 5 consists of four learning communities commonly referred to as Community of Scholars, Community of Experts, Community of Innovators, and Community of Leaders. Our school community is currently engaging in opportunities for project-based learning, with hands-on projects that highlight the importance of global citizenship and the legacies of our contributions in the community at large. We are continuing to build student socio-emotional growth through the incorporation of Leader in Me and a tiered approach to Next Level Readiness support through Grade Six Advisories, Grade Seven College Access for All, and Grade Eight Research and Media Studies. We pride ourselves on engaging students to build autonomous learners that will be successful members of the 21st century and communicating and celebrating student growth with our parents and families.

PROGRAMS OFFERED

At P.S./I.S. 49 we work tirelessly to create a nurturing environment that fosters lifelong learning. We offer our students a liberal arts program infused with technology and cultural arts. We encourage our students to be both independent thinkers and problem solvers. Our school program provides a dynamic environment with quality teaching and high standards of rigor and accountability. P.S./I.S. 49 has won many awards for academic achievement. The school is committed to professional development and innovation.

Sports: Baseball, Girls and Boys Basketball
Students in our school are fully immersed in differentiated instruction that targets their individual learning needs. Students are able to select up to two talent activities each school year. I.S. 61 has created five academies within the main school that foster a nurturing environment for our students. Each academy is set up with its own dean, guidance counselor, assistant principal, and staff of teachers, therefore creating a small learning community. Parents are also able to track their child's progress for each unit through a special Engrade account. To support our efforts to assist students in meeting the standards for college- and career-readiness, parents have an option to select our AGP program for their child. Students are expected to maintain an 85 GPA as well as take all Regents offered by the school. Programs are also available for parents of our school community, including English as a New Language (ENL), GED, and fitness programs.

**PROGRAMS OFFERED**

Leonardo Da Vinci (I.S. 61)

Admissions Method: Zoned

Program Eligibility: Open to students residing in the zone

We are a diverse school community that is divided into five small learning communities called academies. Each of these academies serves as a smaller school within our building to help create and foster a nurturing environment for the students they house. We have done this by assigning each academy its own assistant principal, dean, guidance counselor, and staff of teachers. Each academy is geographically located in a specific area of the building and has its own lunch and assembly periods. In order to provide students with an opportunity to become active members of the school community, I.S. 73’s Student Council has been established to enhance school spirit and to improve the overall student experience. These students are elected to one-year positions and serve as representatives of their grade level as well as their homeroom class. Student Council members are responsible for discussing school-wide concerns and activities during the year. In addition, our school provides all eighth graders the opportunity to take the Specialized High School Exam in school during the school day at I.S. 73. Kaplan provides free test prep prior to the exam for all of our students who choose to sit for the exam.

I.S. 77 is a family of learners. We offer programs for special progress and honors, English as a New Language, and special education. We offer Spanish, with differentiation for native speakers. Each classroom is equipped with a laptop, a projector with a document camera, and speakers. There are opportunities for students to become involved in community outreach programs. We celebrate a Student of the Month based on virtues. We have a partnership with the Greater Ridgewood Youth Council who sponsors an after-school program which offers homework help, sports, and recreation in our school. We also work with the Youth Council in their young adult internship program which benefits many of our graduates. Our PTA is very active and encourages all parents to be a part of our family of learners. Through the use of the internet program PupilPath, parents and teachers are able to communicate with each other regarding grades and assignments. We are part of the Middle School Quality Initiative sponsored by the DOE. We receive support and training in literacy applications! Seventh grade is part of College and Careers for all. Seventh grade students travel to college campuses and attend programs related to College and Careers.

It is our mission to educate our children, not only academically, but through a core foundation of knowledge that includes the arts, technology, and the ability to accept individual differences as assets rather than hindrances. It is our hope that our students will recognize social injustices, speak out against inequities, and value humanity so that when they take over our society they are caring, empathetic people who will advocate for the goodness of all mankind.

In carrying out our mission to prepare all of our students for the rigors of high school, college, and 21st century careers, we offer our students opportunities to take selected Regents exams. Our curriculum and instruction in all major subject areas are aligned with the Common Core Learning Standards. Our Spanish Dual Language program and our STEM program are available to incoming students (includes LEGO Robotics, Coding, and our partnership with Urban Advantage, a premier NYC science organization). Additionally, we offer our students a wide variety of activities in the areas of sports, art, music, drama, and community service in partnership with the Greater Ridgewood Youth Council Beacon Program. We offer leadership programs such as Peer Mediation, Beautiful Me, LGBTQ, and Unleashed.

Whether it's sports, field trips, personalized learning, or curricula rich in reading, writing, and authentic thinking, P.S./I.S. 102Q has all the programs you'd expect from an excellent school. But these programs are not the main reasons why our students achieve. Our students achieve because they understand the greater purpose requiring them to do so: to serve others. Think for yourself; care for others. It's what we do at P.S./I.S. 102.

I.S. 125 is a well-developed school that provides instruction to a very diverse population of students from over 60 countries. Though a large school, we provide a safe, welcoming, and nurturing environment through our small learning communities. Students are divided into four houses with a dedicated assistant principal, guidance counselor, and dean. I.S. 125 offers an extensive arts program. Day and evening performances are offered throughout the school year. I.S. 125 has a unique accelerated program which provides the opportunity for gifted students to sit for Regents exams. Students graduate from I.S. 125 fully prepared for high school and, by extension, college and their career. Parents are an integral part of the I.S. 125 community. They are valued members of the School Leadership Team, PTA, and various other committees. We hold evening events, including a multicultural show and dinner.

Our students love our small-school feel. Our goal is to continue to create small learning communities where every adult knows your name. This allows our student body to understand that their teachers are tuning in and making decisions based on their individual needs as learners. Students are exposed to multiple arts disciplines. Parents and families of our students appreciate our open communication and dialogue with our staff regarding the needs and next steps of their children. Because of our small size, parents and families are able to participate in many student activities, performances, and parent workshop sessions. Students in our school begin sixth grade with a focus on taking Regents courses and/or the Language Proficiency Exam upon completion of eighth grade. In addition, they participate in hands-on learning that takes them beyond the walls of the classroom.

Our school is known for being academic, artistic, and athletic while providing a warm and welcoming community. Our teachers meet weekly to create rich, meaningful curricula. All students have a CORE teacher responsible for monitoring their progress. Our college- and career-readiness curriculum helps our students become competitive candidates for college and prepares them for the rigors of life after high school. Come to a place where people know you well and are dedicated to supporting your future goals. Many of our staff members have been here for more than 10 years and our graduates often come back and visit. Once you are part of the Wagner family, you will always be a part of the Wagner family!

M.S. 582, The Upper Academy, offers students a rigorous academic experience across content areas grounded in The Leader in Me-7 Habits of Highly Effective Teens. M.S. 582 students will graduate with a digital portfolio of projects that include performance-based assessments, academic unit projects, community projects, digital photography, video clips, writing pieces, and reflection essays. Our highly effective teachers guide students as they engage in hands-on projects in our state-of-the-art MAC computer lab and fabrication lab that supports web design, arts portfolios, animation, robotics, coding, woodworking, architectural design modeling, clay work, 3-D print modeling, and urban planning. In our Greenhouse classroom students are becoming urban gardeners while growing fresh fruits and vegetables. Our students have the opportunity to work with our partners at the BEAM Center, Urban Arts, Salvadori Center, BRIC Media Arts, NY Sunworks, CUNY CityTech, and Pratt Institute. All of our specialized STEM /STEAM programming is designed with college- and career-readiness in mind, including our Specialized High School Admissions Test Prep program.

The Academy for New Americans offers newly arrived immigrant students and their families the opportunity to adjust successfully to their new setting. The program offers a specialized curriculum that facilitates the acquisition of the English language through a one-year programmatic option. Our school is committed to providing the following services to our students: a welcoming climate that is conducive to English language acquisition, a specialized curriculum that focuses on English language proficiency, an environment that promotes self-esteem and addresses the needs of early adolescence, an introduction to the New York City school system, an emphasis on becoming familiar with American culture, computer literacy classes, support services such as counseling and tutoring, and a committed, well-trained staff that guides the students through the transition period as they become acclimated to our multicultural society.

All Queens students and residents may apply to middle schools in this section.
J.H.S. 189 provides opportunities for young people to be engaged in social action/community service projects. In this context, students identify problems as well as needs and seek solutions that make a difference. To that end, every person at J.H.S. 189 is involved in a year-long community service project. Giving back to the community is a core belief in our school’s culture. As a result, we have approximately 42 social action projects every year.

P.S./M.S. 42 achieves academic excellence for all students by supporting their strengths and needs. Our goal is to meet the Common Core Learning Standards while creating a learning environment that will boost all students to grade level and above. We build morale by instilling in our students, staff, and parents a sense of self-respect along with an appreciation for the diversity of the multicultural society in which we live, work, and learn. As a school community, we believe that students learn best through instruction that is tailored to their specific learning styles and needs. We have invested in technology to advance the skills of our students and make them competitive in today’s world. All of our classrooms are equipped with SMART Boards, and over 250 laptops, 140 iPad minis and two 3-D printers are available for students within classrooms. Our students have access to such programs as Lego robotics, Broadway Jr., Enact and more. We provide parents with up-to-date information, through Pupil Path and written correspondence, so that they can partner with the school to ensure that every child is college- and career-ready.

Brian Piccolo M.S. 53 is the school of choice for the new millennium. Our community school is truly a school for the 21st century that provides a state of the art Zion Cradle to Career STEM Academy (robotics and coding). Through rigorous coursework we challenge our scholars academically while providing a safe and supportive learning environment. Our family-oriented school strives to give back to our community through supports we receive from our strategic partnerships, which include but are not limited to, the Sports and Arts in School Foundation (SASF), Urban Arts, and Life Changing Music that provides a well-rounded extracurricular program for our students. Additionally, our small community school services multi-talented scholars and we pride ourselves on educating the mind, body, and soul of each scholar in preparation for entrance into high school. Our scholars have access to numerous in-school and after-school programs that are available through our partnerships which are designed to enrich and compliment their learning style and experiences. Our families appreciate both our open-door policy and our welcoming environment. Here at M.S. 53 we believe that Education Saves Lives!

Channel View School for Research (CVSR) is an Expeditionary Learning School that believes students learn best through a project-based approach. Students focus on character and career development by participating in small advisory groups called Crew. Our students are researchers, historians, urban planners, and scientists that investigate real world problems and develop creative, actionable solutions using cutting-edge technology. We have a Research Technology Robotics program and an oceanography program that uses technology that allows students to actively explore the aquatic ecology beneath Jamaica Bay and the Atlantic Ocean. Our program is highly engaging and pushes students to do their best while developing a culture of collaboration and teamwork.

Knowledge and Power Preparatory Academy VI (KAPPA VI) is located in the beautiful Far Rockaway campus. The school is modeled after the Air Force philosophy of leadership training. Students, who are called cadets, wear a formal uniform and each class, called a squadron, is named after a NASA space mission. Our school’s aim is to be an “Ivy League Middle School Academy,” with a long-term goal of preparing students for college. The debate team competes in the citywide competition. Math is a point of pride at KAPPA VI, and the school’s math team competes in citywide math competitions. Our students are encouraged to take the Specialized High School Admissions Test (SHSAT). KAPPA VI also offers a wide range of enrichment courses, including art and music. We have a state-of-the-art media room with iMac computers, and a state-of-the-art library is being built.

The Waterside School for Leadership, along with its parents and community members, is a sixth through eighth grade middle school serving the diverse scholars of New York City. Collegebound Waterside Scholars are leaders of their lives, learning, and community. Waterside Scholars are expected to demonstrate a high degree of intellect, professionalism, and strong work ethic that reflects the mission and vision of the school. Waterside has a very warm and supportive environment that includes weekly advisory, regular contact with parents, ongoing conversations between home and school, and opportunities for challenging work. Students also get to use New York City as their classroom through various field trips and activities. Our primary purpose is to educate all scholars to the highest levels of academic achievement by providing a rigorous curriculum in a safe, healthy, and happy environment.

All students are encouraged to participate in school activities and community service as well as to develop meaningful relationships with adults in our school. Students enjoy the availability of interesting classes and after-school activities. There is an enrichment program to fit each student's needs. Parents appreciate our various methods of making the home/school connection. We communicate with parents using the school messenger system which notifies parents of school events over the telephone, emails, and mailings. In addition, we provide informational workshops for parents. Parents also enjoy our new Parent Center which is complete with computers, a color printer, and comfortable seating. Our parent coordinator and community assistants are available to demonstrate Skedula, Acuity, and Access web-based programs for families. Parents/Guardians also like our principal's open door policy, where they have an opportunity to meet with the principal, academy principals, and school staff.

Our school is a community of instructional innovation that provides choices and options for young people to become critical thinkers and lifelong learners in an environment of care and respect. Our goal is to meet the need of every young person through collaboration, opportunity, and experience. Catherine and Count Basie Middle School is one of the best-kept secrets of District 28. Our school staff is committed to providing a high-quality and meaningful educational experience for each child. The school’s environment supports students, parents, and staff in an effort to offer every child an opportunity for an excellent education. Our curriculum includes specialty courses, advisory courses, elective courses, and a range of extracurriculars, all within a challenging curriculum. We provide students with the opportunity to take educational excursions, visit colleges and universities, interact with political officials, and use their voices to impact change in our ever-changing society.

The Young Women’s Leadership School (TYWLS), Queens is structured to give each young woman individualized attention. We focus on nurturing the academic, social, and developmental growth of our students. We expect our students to go above and beyond the New York City and New York State school graduation requirements as we prepare them for college. Our parents appreciate the personalized attention their family receives. We use PupilPath, a web-based communication system, to inform our parents of their daughter’s academic progress. Parents also appreciate the Summer Bridge Enrichment Program for incoming sixth grade students. The Young Women’s Leadership Network (YWLN) and the CollegeBound Initiative provide a full-time CollegeBound counselor. Students are immediately exposed to colleges, college fairs, and expectations beginning in sixth grade.

Which high schools did students from this school most frequently attend?
- Preparatory Academy for Writers: A College Board School
- Queens High School of Teaching, Liberal Arts and the Sciences

**SCHOOL LIFE**

- Total Students: 588 | Grades: 6-12
- Community School: No | Uniform: Yes—Top and bottom-specific colors or styles
- School Day: 8am-3:10pm
- Extended Day: No
- English Language Learner Program: English as a New Language
- Community Service: Yes—50+ hours expected by graduation
- Summer Session: Yes—For incoming sixth graders and for academic support and enrichment
- Weekend Program: Yes—Saturday program for test prep

**ACADEMICS**

- Language: Spanish
- Elective: With the assistance of national organizations like The College Board and CFES, the school has developed a college and career readiness course that spans 6th through 12th grade. In this course students do many things. They develop a portfolio of their best work, begin to construct their resume, start drafting their college essays, learn conflict resolution skills, discuss current national or community topics, and expand their social-emotional intelligence.

**ACTIVITIES**

- The school, in partnership with a community-based organization (Child Center of NY), has a dynamic after-school program that offers a range of units including dance, poetry, test prep, coding, robotics, engineering, digital music production, drumming, and art.
- CHAMPS Sports—Coed: Basketball League, Dance, Track and Field
- Sports: Basketball, Dance, Flag Football, Step, Track
Our scholars complete a challenging curriculum and are required to work hard, but they are not expected to do it alone. From the moment they enter Eagle Academy, scholars are provided with advisers, supportive mentors, and a devoted faculty committed to providing a strong support system for all of our young men. Eagle Scholars discover the importance of critical thinking, in-depth questioning skills, and the benefits of voluntarily seeking guidance in order to achieve success. With support from dedicated parents and teachers, we instill in our Eagle Scholars the effectiveness of strong work habits that they continue to develop throughout their upper school experience at Eagle Academy. We firmly believe that the more you apply yourself, the more you accomplish. A combination of high parental involvement, structured classroom experiences, strategic after-school programming, and an informed academic support team are the keys to our Eagle Scholars’ success.

Community School 111Q has achieved success on the path to demonstrable improvement. A forerunner in Renewal efforts, we are implementing cutting edge educational programs that are supporting our scholars, parents, teachers, staff members, and the community. Our scholars engage in discussions with their peers and staff as they study academic and social theories and writing in all of the core subjects. We have implemented the Teacher’s College Writing Curriculum, evaluative portfolios in core subject areas, the use of daily formative assessments to monitor progress, independent reading, myON, and Mathletics computer-based interventions and a balanced approach to literacy, science, social studies, and math instruction.

At P.S./I.S. 127 we will work collaboratively to promote the social and emotional growth of all students and cultivate self-motivated lifelong learners who are college and career ready. Our shared vision is to inspire students to pursue their dreams by fostering a safe, trusting, and nurturing environment that will promote academic, social, and emotional growth of all scholars at P.S./I.S. 127Q. Our school offers three different program choices for English Language Learners (ELL). We have a K-8 dual language program. Students entering the dual language program in the 6th grade are given a baseline assessment in order for our school to provide the best services to ELLs.

The Louis Armstrong Middle School (LAMS), opened in 1979 with the mission of bringing together a group of culturally diverse children to help them grow academically, emotionally, physically, and socially. At LAMS, students are provided a personalized, caring, and supportive environment. The staff works to build the children's confidence and work ethic in order to develop a sense of pride in their choices, actions, and quality of work. In addition to the core subjects, LAMS offers Accelerated Regents courses, foreign language courses, music courses, art courses, physical and adaptive fitness courses, and technology courses. The school is affiliated with Queens College, Vaughn College, National Middle School Association, and National School Reform Policy. Our school is an original recipient of the U.S. President Award for Excellence, has been recognized four consecutive years as a Reward Status School, and by the NASSP as being, "one of the top 100 most effective middle schools in the U.S." Students receive stop to stop busing from any area in Queens.

The Young Women's Leadership Schools (TYWLS) were established to nurture the intellectual curiosity and creativity of young women by supporting the whole girl in order to maximize academic achievement, social emotional well-being, and post-secondary success. TYWLS of Astoria is supported by The Young Women's Leadership Network (YWLN) and its College Bound Initiative in order to replicate the best practices of private and independent girls' schools. The school approaches learning in a dynamic, participatory fashion, encouraging students to take responsibility for their own learning. The school uses technology in nearly every class and every day to create a meaningful, cutting edge 21st century learning environment. Students are provided with rigorous STEM, humanities, and arts opportunities as they prepare for college and becoming future leaders. TYWLS of Astoria is an Apple Distinguished School for Technology.

Our staff cares about our students as individuals and learners, working hard to make school a positive, successful experience for them. Students benefit from exciting learning opportunities, such as weekly field studies trips, science projects, visual arts, and creative writing activities. Families appreciate our small environment where students get individual support, dance, arts, technology, and an array of learning experiences. Families also appreciate how our teachers work together with them to support their children. Students have advisory every day, which includes a dedicated adviser who makes ongoing contact with their advisee. Lyons is a Restorative Justice school, meaning that when a student harms the community, the expectation is that the consequence be focused on restoring the community and growing from the experience. We want our students to learn to be more thoughtful, curious, well-rounded, and compassionate people. As a secondary school, students can stay through high school. We are part of the NYS Performance Standards Consortium, which means students do extensive essays, experiments, and presentations instead of most Regents. Students call teachers by their first name and do not wear uniforms.

Philippa Schuyler offers a variety of acceleration and enrichment opportunities that include advanced language arts and math classes, Regents classes in algebra, living environment, earth science, French, and Spanish. Major performing arts courses are offered in a variety of dance styles including: jazz, modern, ballet, world and urban dance. Additional major performing arts courses include: theater, steel pan, and chorus. Major visual arts courses and other electives include: medical studies, technology, robotics, hydroponic gardening, and African American studies. In addition, we offer preparation courses for Specialized High School testing. Our school also offers a state-of-the-art hydroponic science lab. Our instructional program focuses on project-based instruction and assessment to promote rigorous critical-thinking and citizenship skills.

**PROGRAMS OFFERED**

**Philippa Schuyler (J.H.S. 383)**

**Admissions Method:** Screened

**Program Eligibility:** Open to students and residents of Brooklyn and Queens. Students may apply for 5th or 6th grade admission.

**Prior Year Admissions**

Citywide Schools

All New York City residents may apply to middle schools in this section.
New Explorations into Science, Technology, and Math (NEST+m) is a Citywide G&T K-12 school. Our academically rigorous program has made us one of the finest schools in the city. We are committed to developing each student's capacity for academic and intellectual achievement. We provide a range of services for students with disabilities including a full-inclusion program. NEST+m students blossom into practitioners: scientists, mathematicians, engineers, artists, writers, historians, musicians, painters, and linguists who approach their studies with passion and purpose.

The Ella Baker School is a pre-K-8 public school located on the Upper East Side of Manhattan in the Julia Richman Education Complex. We are a non-catchment area school and accept students from all five boroughs. We serve a population of approximately 320 students from culturally diverse backgrounds. A critical aspect of Ella Baker’s mission is to provide continuity in each child’s school experience from kindergarten through eighth grade. It is our expectation that our students will continue with us through the eighth grade. We do not hold middle school tours, as it is rare that there are spots open in the upper grades.

The mission of P.S. 347 is to provide a joyful learning environment that celebrates the education, growth, and uniqueness of every student. An engaging and rigorous standards-based curriculum is offered in American Sign Language (ASL) and Standard English, and is supported in small classes that provide children the opportunity to achieve their personal best. Our staff is committed to inspiring and encouraging curiosity, empathy, and social awareness by developing higher-level thinking skills and exploring real world issues that extend into the community. By fostering a partnership with families, we support individual student goals to enable each child to become an independent and responsible lifelong learner, and prepare them for success in the journey to higher education. Middle School students at PS 347 are offered courses in American Sign Language, Deaf Culture, Dance and Art. Students also have opportunities to develop leadership skills by participating in the Student Council and student-led clubs such as our Gender and Sexuality Alliance. We also partner with Manhattan Youth to provide daily after-school programming for Middle School students.

The Institute for Collaborative Education (ICE) is a small, community-focused school where the needs and academic interests of our students come first. Teachers utilize a project-based curriculum that emphasizes student-centered inquiry, forming substantive arguments, written and oral presentations, and the active and ongoing exchange of ideas. At ICE, we encourage students to develop their own points of view and practice the intellectual disciplines of conducting formal research and defending complex academic arguments.

The Professional Performing Arts School (PPAS) partners with top rated New York City arts organizations to provide high quality training in the performing arts and a competitive academic program. In partnership with the theater company Waterwell, middle school students receive 90 minutes daily of acting, dance, and voice classes. Our curriculum provides students with the artistic and personal skills to be leaders in the field and in whatever profession they choose to pursue. PPAS middle school students are guaranteed a placement in one of the PPAS high school arts programs if they choose to stay. We provide a middle school experience that is well-rounded and considers every child’s interests, learning styles, and needs. Open auditions will be held for any interested candidate. Audition information can be found at the school website: ppasnyc.org.

Quest to Learn teachers make learning fun and challenging. We make learning fun. Teachers work with curriculum developers from the Institute of Play to design games that build academic and social skills. In ELA courses, students use table games to debate the strength of evidence; in math, students use a card game, Absolute Dash, to mix and match integer operations to gain the most points. As they build skills, students demonstrate their learning through collaborative, creative projects, taking a variety of roles from newscast producer to Revolutionary War spy to roller-coaster architect. We make learning challenging. At the end of each semester, middle school students participate in week-long design competitions. Instead of regular classes, students work in groups of 12 to create projects such as fashion shows, restaurants, and newspapers. We are inclusive in how we accept students into our school -- we do not screen. We are also inclusive in our programming within our walls -- we do not track. All students have small group advisory twice a week to build community and promote social-emotional learning. We challenge all students academically providing every 8th grade student with Earth Science and Algebra Regents courses.

**PROGRAMS OFFERED**

**Quest To Learn**

The Anderson Middle School (AMS) provides a judicious combination of an accelerated and enriched curriculum for the distinct needs of gifted learners. Our upper grades are fully integrated within our highly successful K-8 school. With only two classes per grade, the relationship between students and teachers is personal and supportive. This smaller population fosters a strong sense of community. Guided by educators who recognize the needs of children with outstanding intellectual potential, we provide intimate, differentiated, and departmentalized instruction that encourages critical thinking, creative problem-solving, divergent thinking, research, independent study, collaboration, and self-evaluation. Parental involvement and support sustains the spirit and growth of AMS. The Anderson School seeks a diverse student population, including ICT students, and welcomes applications from across the five boroughs. Please visit our website to review our admissions rubric before applying.

The mission of the Special Music School is to teach musically gifted children through highly structured instrumental training and a standards-based academic program. The school prepares students for professional music careers while recognizing that not every student will choose such a career. The underlying philosophy of the Special Music School is the belief that music education for gifted pupils requires: 1) extensive opportunities to work one-to-one with an outstanding instrumental faculty; 2) a structured, sequential music curriculum; 3) opportunities to perform before audiences; and 4) interaction between general academics and musical studies. Our goal is to see each child reach his or her academic and musical potential. Our vision is that all students will become lifelong learners and critical thinkers in our caring and respectful learning environment. We encourage parental involvement in all aspects of the school.

At the Talented and Gifted School for Young Scholars, faculty, parents, and students work together to prepare students to develop to their full potential. We seek to inspire inquiry, creativity, and achievement for all of our students. We teach compassion, integrity, and respect for all humanity and cultivate lifelong learning. Through this collaborative effort, we promote physical and emotional well-being and develop each student's individual interests and talents. We provide a strong education program in which all students develop critical- and creative-thinking skills and design meaningful educational experiences to promote academic and personal growth. Our professional and supportive staff is sensitive to the needs of each student, dedicated to providing a quality education, and has a genuine love of children. We engage in ongoing self-evaluation that ensures that we are effectively working to achieve our own goals and those of the Department of Education.

The Manhattan East School for Arts & Academics will provide students with a rigorous 21st century liberal arts education in a safe and caring learning environment. Through this approach, we foster high academic expectations, knowledge of the arts, and respect for diversity and for self. Manhattan East is an inclusive, holistically screened school wherein the power and beauty of the whole community supports each student to the highest level of critical and creative thought. At Manhattan East, all students engage in a continuum of rigorous arts and academic courses, culminating in up to three Regents Level High School classes and the opportunity to specialize in an art form of choice. Teaching and learning at Manhattan East is a combination of progressive and traditional practices, with high levels of teacher facilitated student discourse (accountable talk) and a focus on high-school-preparedness and college- and career-readiness.

The Lenox Academy offers an academically accelerated program for middle school students. We provide a high-quality education within a learning environment that supports young learners. Lenox Academy’s rigorous academic program, coupled with a highly skilled and experienced staff, has proven successful. Many of our 8th grade students from the class of 2017 were accepted to specialized high schools. Most have received acceptances to select public high schools; others have accepted placements in private day and boarding schools through scholarships. Lenox Academy promotes academic excellence and challenges students to meet NYS standards with distinction. Over 90 percent of our students met standards [Level 3] or met standards with distinction [Level 4] on the 2016-2017 New York State Standardized exams. All of our seniors are administered the English Language Arts and Algebra I Common Core Regents, Living Environment Regents and Spanish Proficiency exams. Our SONYC after-school program offers expert instruction in martial arts, culinary arts, dance, theater, basketball, volleyball, and photography.

We offer an arts-enriched school environment. We want our students to see themselves as mathematicians, so we foster deep comprehension of math concepts by helping our students acquire habits of mind: persisting, questioning, communicating with precision and clarity, thinking flexibly, listening with understanding/empathy, and thinking interdependently. BSI students read diverse content and their writing includes feature articles, informational texts, comic books, interviews, persuasive essays, literary analysis, and literary criticism. We teach our students to engage technology, to think critically about what they see, and to be thoughtful about how they use technology to express their thoughts and ideas. Parents play a crucial role in both the daily life and long-term growth of BSI. Through a vital home/school connection, we build a learning community based on respect and cooperation. Our advisory program is critical to supporting the social and emotional needs of our students.

Students thrive in a community that blends academic rigor with visual and performing arts. Every student has a focus in one of our Talent programs: Art, Computer Science STEM, Creative Writing/Journalism, Dance, Drama, Instrumental Music (Strings or Winds), Media, Science, and Vocal Music. Parents appreciate the personalized attention of our mini-school cluster system. Teachers and support staff have time in their weekly schedule to collaborate with parents and caregivers to provide the best academic and social/emotional development for each student. Almost all graduates go on to NYC’s Specialized High Schools and select programs. All students receive and utilize iPads and interactive digital curriculum throughout their courses.

Scholars’ Academy | 27Q323

Mission Statement: To prepare for colleges and careers of the 21st Century
Vision Statement: To engage the entire Scholars’ Academy community in cultivating and celebrating well-rounded scholars and citizens equipped with the knowledge, skills, and attitudes to pursue success and happiness in the 21st Century

Scholars’ Academy is a highly rigorous school earning “Well Developed” ratings on the Quality Review and “Excellent Ratings” on the School Quality Snapshot in every category: Rigorous Instruction, Collaborative Teachers, Supportive Environment, Effective School Leadership, Strong Family-Community Ties, and Trust. Scholars’ Academy is an Innovation Zone Ambassador School. Scholars’ Academy teachers and students leverage online learning tools to collaborate on group tasks which are standards-anchored, rigorous and engaging. Scholars’ Academy follows the Scale-Up cooperative learning model used by many top universities such as MIT where students work in Triads; learning groups of three. All students are supported in completing three high school Regents courses in middle school (Algebra, Living Environment and Spanish). Students select an elective class based on their individual interests and talents which meets twice per week. Students have the opportunity to engage in sixteen advisory and retreat days per year focused on fostering positive peer bonds, increasing cultural understanding, enhancing social-emotional well being and dedicated time for reflection and enrichment.

Q300 is one of several NYC citywide gifted and talented schools. We are committed to a high-quality education that strives to cultivate a genuine love for learning in all of our students. Our approach is driven by the national standards of gifted education with the full understanding that we are stewards of our students’ cognitive and affective growth. As a result of our strong collaboration with parents and external organizations we are able to offer our students: music, LEGO robotics, dance, debate, second language(s), architecture, and chess, Brain Games, Math Team, Spelling Bee and so much more. Our efforts to shape the whole child scaffold an exposure to rich information and knowledge, critical-thinking skills, and effective and relevant modes of communication.

HOW TO APPLY TO MARK TWAIN FOR THE GIFTED & TALENTED | 21K239

Mark Twain for the Gifted & Talented (I.S. 239) is a citywide school in Coney Island, Brooklyn, serving grades 6-8. Students are eligible to apply and test or audition for up to two talent areas.

You can apply and register your child to test or audition during the online middle school application process this fall.

- When you apply, select two talent areas for which you'd like your child to be tested. These talent areas include:
  - Art
  - Athletics
  - Computer/Math
  - Creative Writing/Journalism
  - Dance
  - Drama
  - Instrumental: Strings
  - Instrumental: Winds
  - Media
  - Science
  - Vocal Music

- Be sure to add these two programs to your child’s online middle school application and to place them in your true order of preference. Submit your child’s application by the December 3, 2018, deadline.

- Registered students will take talent tests in January or February. Students will receive a test ticket with their assigned test date and time. Applicants will be tested in each of their two talent areas. Testing will take place at Mark Twain, located at 2401 Neptune Avenue, Brooklyn, NY 11224, on one of these dates:

```
2019  2019  2019  2019  2019  2019
January 5 January 6 January 12 January 13 January 26 January 27
January 2 February 3 February 2

Additional test dates may be scheduled as needed.

Students will be considered for offers based on how well they perform on the talent exams in comparison to other applicants.

HOW TO APPLY TO PROFESSIONAL PERFORMING ARTS SCHOOL | 02M408

Professional Performing Arts School (PPAS) is a citywide school in midtown Manhattan serving grades 6-12. The PPAS middle school theatrical arts program includes acting, singing, and dance instruction from professionals in these fields along with an accelerated academic program. Eligible students must be New York City residents when they apply.

Here’s how to help your child apply to and audition for PPAS:

- Add the PPAS program to your child’s online middle school application, and submit your application by the December 3, 2018, deadline. All students that have added PPAS to their middle school application are invited to audition.

- Help your child prepare for their PPAS audition. Learn what to prepare and where auditions will be held at ppasny.org.

- Bring your child to their audition on the date listed below for your last name—no ticket or confirmation is necessary.

<table>
<thead>
<tr>
<th>Your last name</th>
<th>Date</th>
<th>Time</th>
</tr>
</thead>
<tbody>
<tr>
<td>A - F</td>
<td>Saturday, January 5</td>
<td>8am</td>
</tr>
<tr>
<td>G - M</td>
<td>Saturday, January 5</td>
<td>12pm (noon)</td>
</tr>
<tr>
<td>N - R</td>
<td>Sunday, January 6</td>
<td>8am</td>
</tr>
<tr>
<td>S - Z</td>
<td>Sunday, January 6</td>
<td>12pm (noon)</td>
</tr>
</tbody>
</table>

Students will be considered for offers based on academic performance and audition.
Your Middle School Choices

Use this page to help prepare for your middle school application. List your program choices below in your true order of preference, with your first choice in the #1 spot, your second in the #2 spot, and so on. Bring this list when you meet with a counselor at your current school or a Family Welcome Center—find locations and hours at schools.nyc.gov/WelcomeCenters.

TIP
If you have a zoned school or are enrolled in a continuing K-8 school, it is always a good idea to consider adding that school to your application. You have a priority to get an offer to your zoned or continuing school if you do not get an offer to any programs that you ranked higher in your application. Remember that you do NOT have to place this school as your first choice to keep your priority.
